Skopje, 19 June 2008

Etosha Consult International successfully finalized the registration of *Sustains*TM as its new Trade Mark under Macedonian Law TM 10-2007 / 206 / 1 05 / 03 / 2007.

*Sustains*TM is the new brand of Etosha Consult to communicate with young people, and those who feel young and are committed to sustainable development.

We *Sustains*TM assume behaviour towards the world as if we have not inherited it from past generations, but as if we have borrowed it from future ones.

We *Sustains*TM aspire not to have more, but to be more.
We can not resolve the problems at the same way we created them !

*Sustains*TM create the climate for change.

How you can become a *Sustain*TM ?

With small every day actions each of us can contribute in changing the world.

Enjoy becoming a *Sustain*TM !
